Constitution and Ritual

OF THE INTERNATIONAL ASSOCIATION OF SHEET METAL,
AIR, RAIL AND TRANSPORTATION WORKERS

Affiliated with American Federation of Labor and Congress of Industrial Organizations, North America's Building Trades Unions, Metal Trades Department, Maritime Trades Department, Union Label and Service Trades Department, Transportation Trades Department, Public Employee Department, and Railway Labor Executives' Association, and the Canadian Labour Congress.

REVISED AND AMENDED BY AUTHORITY OF
3RD SMART GENERAL CONVENTION
HELD AT LAS VEGAS, NEVADA
AUGUST 12-16, 2024

Preamble

Realizing the advantage and necessity of cooperative effort properly and legally directed to fully develop and demonstrate the possibilities of our trade in the various fields of industry and to protect our rights in connection therewith, we hereby pledge our united efforts and support as members of the International Association of Sheet Metal, Air, Rail and Transportation Workers to the accomplishment of said purpose.

In this age of organized effort, it is essential that those engaged at our trade must likewise organize in order to establish and maintain desirable working conditions and thus provide for themselves and their families that measure of comfort, happiness, and security to which every good citizen is entitled in return for their labor from a deep sense of pride in our trade, to give a fair day's work for a fair day's pay.

For reasons stated herewith, we adopt this Constitution and Ritual and pledge our support and allegiance to the International Association of Sheet Metal, Air, Rail and Transportation Workers of the United States and Canada, and as members thereof, we agree to be governed by the provisions, requirements, purpose and intent of this Constitution and all subsequent amendments thereto.

Article Twenty-One B (21B) sets forth the political structure and functioning of the Transportation Division including the selection, authority, duties and responsibilities of its officers. Other parts of the Constitution govern the operation of the association as a whole, including the Transportation Division. Where application of other parts of the Constitution to the Transportation Division would negate the provisions of Article Twenty-One B (21B), it is presumed that this is not the intent of the Constitution. Some provisions of the Constitution plainly apply to sheet metal workers and are to be interpreted as applying only to sheet metal workers unless there is no conflict between such provisions and Article Twenty-One B (21B) and application is necessary to address questions not answered in Article Twenty-One B (21B) or to provide uniformity in the administration of the association.

120 authority to place such subordinate body under Trusteeship after a

 promulgated by them so that the conditions that necessitated imposi- 152
 tion of the Trusteeship may be corrected and autonomy restored to the 153
 subordinate body as soon as possible. 154

During Trusteeship, no votes of delegates from such subordinate body 155
 shall be counted in a Convention of this Association unless such dele- 156
 gates have been chosen by secret ballot in an election of the subordinate 157

Whenever the membership of one local union or council is separated into two or more local unions or councils pursuant to this Section, the funds, assets and liabilities of such local union or council may be pro-rated among the involved unions or councils as equitably as possible by the General President.

Elections shall be conducted by secret ballot except in those instances where there is only one (1) nominee for the office. The nominee receiving the highest number of votes for each office shall be declared elected. In the absence of a provision in the local union bylaws or election rules to govern resolution of a tie vote occurring in any local union election, the winning candidate for office shall be selected by the drawing of lots in the presence of the candidates.

For extraordinary elections, a mail ballot or an electronic method for election may be conducted if (a) the membership approves use of either a mail ballot or electronic method by a two-thirds ($\frac{2}{3}$) vote at a special meeting, and (b) the General President approves use of the mail ballot, or (c) the General President recommends the use of an electronic method to the General Executive Council for its approval. Procedures shall be used to ensure the secret ballot.

SEC. 6(b). A “secret ballot” vote shall mean the expression by ballot, voting machine or other electronic means approved by the General Executive Council, of a choice by the member cast in such manner that such member cannot be identified with their vote. All election records, including ballots, shall be preserved for one (1) year by an officer designated by the local union or by the recording secretary if no other officer is designated.

170 **SEC. 6(c). Tellers & Judge.** The tellers and judge shall make arrange-

177 election judge shall be identified on the election notice that is mailed to
178 members. The judge shall receive complaints alleging violations of this
179 Constitution or applicable law in the conduct of a local union election
180 and suggest appropriate remedial measures, as necessary.

181 Whenever the local union shall provide for the casting of ballots at
182 times and places other than at a meeting of the local union, all tallies
183 and ballots received by the judge and tellers shall be sealed and shall be
184 counted officially at one (1) time and place to be fixed by the local union
185 for the count of all ballots cast in the local union elections.

186 The tellers and judge shall submit their report at the first meeting of
187 the local union following the election.

188 Each candidate for office shall be entitled, upon request, to appoint
189 one good standing member, but not themselves or another candidate,
190 as an observer at each polling site who shall be permitted to witness the
191 manner of distribution, casting and tabulation of ballots.

192 **SEC. 6(d). Report to General Secretary-Treasurer.** After the report
193 of the tellers and judge has been submitted to the recording secretary,
194 they shall immediately file through the approved electronic means
195 approved by the General Executive Council with the General Secre-

197 business manager and business representatives and thereafter notice
198 of any change in same. Such report shall contain the number of the
199 dues receipts of each elected officer showing payment to and for the
200 month(s) in which nominations and election occurred and a complete
201 tally sheet showing the exact vote for each office.

SEC. 6(e). Contesting Elections. A member who has knowledge of an alleged violation of this Constitution or applicable law in the conduct of a local union election while the election is ongoing shall immediately make a complaint to the election judge. If a member with such knowledge while the election is being conducted does not immediately make a complaint to the election judge, they shall not be entitled to a later complaint to the General President. If the election judge does not resolve the alleged violation, or if the member’s knowledge of an alleged violation is acquired after the election is conducted, the member may make a complaint to the General President.

Election complaints to the General President shall be:

- In written form and labeled “election complaint”
- Signed by the complainant
- Accompanied by such evidence, consisting of documents and written evidence in affidavit form, and arguments as are deemed necessary by the complainant for the proper and complete consideration of the complaint

- Mailed by registered or certified mail, return receipt requested, by private delivery service such as the United Parcel Service with signature required or proof of delivery, or by a courier delivery service that provides a return receipt, to the General President and the local union
- Postmarked or delivery confirmed within seven (7) days from the date the election judge and tellers sign and submit their election report to the recording secretary.

230 The decision of the General President shall be final and not subject

232 SECTION 7 – TERM OF OFFICE

233 **SEC. 7.** Local union officers and business representatives shall be
234 installed at a regular or special called meeting no later than the month
235 following their election. All local union officers and business represen-

237 is a change in the business manager or the financial secretary-treasurer,
238 the local union shall have the financial books and records audited by
239 an independent certified public accountant, or chartered accountant in
240 Canada, from the beginning of the fiscal year until the date the new
241 business manager or financial secretary-treasurer is installed. The
242 General Secretary-Treasurer may waive or modify this requirement for
243 good cause.

244 SECTION 8 – VACANCIES

245 **SEC. 8(a).** When a permanent vacancy occurs in any office or posi-
246 tion the local union shall promptly fill the same for the unexpired term
247 by nomination at a regular or special meeting and by election held in
248 the same manner and under the same rules as those governing regular
249 elections. Vacancies in the positions of recording secretary, warden, con-
250 ductor and trustee(s) may be filled through notice to the membership
251 of nominations and elections to take place at the regularly scheduled
252 meeting(s) of the local union. If a vacancy occurs within the eighteen
253 (18) month period prior to the next regular election such office may be
254 filled by appointment by the local union Executive Board.

255 No incumbent of any office or position in a local union shall be eligible
256 for nomination, election or appointment to fill a permanent vacancy in
257 accordance with the provisions of this Section 8(a) unless prior thereto
258 they submit in writing to the recording secretary their irrevocable res-
259 ignation from the office or position of which they are the incumbent

prior to acceptance of the nomination. While such resignation shall be submitted in advance of acceptance of nomination or appointment, the effective date shall be no later than the date that the newly elected or appointed officer(s) takes office.

SEC. 8(b). When a temporary vacancy occurs, the local union shall fill such office or position pro tem by election or appointment by the local union Executive Board as the local union may decide. The term of such pro tem officer shall continue until the resumption of office by the officer who vacated it or until the next regular election, whichever occurs first.

In the event a pro tem officer is elected or appointed while they are an incumbent of another local union office or position, they shall be entitled to resume their former office or position if they are displaced from the pro tem office by the return of the regular incumbent prior to the next regular election.

SEC. 8(c). In the event an election is to be held, the vacant office or position may be filled by appointment by the local union Executive Board pending the holding of such election which shall be held within ninety (90) days of the occurrence of vacancy.

SEC. 8(d). Notwithstanding any other provision of this Section, a local union may elect not to fill vacancies in offices or positions which are not essential to the temporary operation of the local union if the cost of holding an election or the length of time remaining in the term justify such action.

SECTION 9 – SALARIES

SEC. 9. Each local union shall have authority to pay such salaries as it may determine for services rendered by the local union officers, business manager, business representatives, delegates, representatives and members. Such salaries shall be properly recorded. In no case, however, shall any local union officer, business manager, business representative, delegate, representative or member be exempted from their obligation to pay

291 dues at the established rate in advance, and no officer, business manager,
292 business representative, delegate, representative or member shall receive

313 shall be determined by either electronic format or duplicate (copies) of
314 official receipts properly issued recording payments actually made in
315 the manner specified in this Constitution.

316 **SEC. 7(e). Forfeiture.** When a Limited Member becomes two (2) consecu-

325 which they enter the armed forces of the United States or Canada may,
326 notwithstanding any provisions of this Constitution to the contrary, either
327 make application for a special withdrawal card or for Special Limited Mem-
328 bership in accordance with and subject to the condition hereafter provided.
329 Members on a regular withdrawal card are not eligible to make application
330 for a special withdrawal card or for Special Limited Membership.

331 **SEC. 8(b).** Special Limited Memberships provided for in this Article
332 may be issued to members entering the armed forces upon the furnish-

334 active service accompanied by Special Limited Membership dues of One
335 Dollar and Twenty-Five Cents (\$1.25) per month, paid for one quarter in
336 advance. Thereafter Special Limited Membership dues shall be paid at

the rate of One Dollar and Twenty-Five Cents (\$1.25) per month, quarterly in advance to and including the date of payment of membership dues at the regular established rate of the local union, which payment shall be made not later than ninety (90) days immediately following the month in which they are released from active service. Photostatic copy of Honorable Discharge or other official evidence of release from the active service shall be furnished the General Secretary-Treasurer.

Any member of the National Guard or Reserves, activated by the Armed Forces, shall immediately be issued Special Limited Membership after their regular dues are paid to and for the month in which they were activated. The dues of One Dollar and Twenty-Five Cents (\$1.25) per month, paid quarterly in advance, shall be paid by the local union, not by the member.

Holders of Special Limited Membership who comply with the provisions of this Section shall be reinstated to full membership, without payment of reinstatement fee, and full credit for continuous good standing to and including actual date of entry into active service, plus continuous good standing thereafter established under said Special Limited Membership during the period of active service.

SEC. 8(c). Special withdrawal cards issued to members entering the armed forces shall be effective as of the date of actual entry into active service and shall continue in effect until three (3) months after the actual date of discharge. If, within said three (3) month period, the holder of such special withdrawal card shall have filed application for reinstatement in the local union issuing such special withdrawal card accompanied by dues at the regular rate of such local union beginning

386 local union for an official transfer card.

387 **SEC. 9(b).** No member against whom any charges are pending or who
388 has been notified to appear for any hearing or trial as defendant or com-

391 is concluded and all duties and all obligations, financial and otherwise, in
392 connection with said charges or trial have been fully discharged.

393 **SEC. 9(c).** No member shall be entitled to a transfer card unless all
394 local union and Association obligations are paid in full, including dues in
395 advance to and including the month in which the transfer card expires,
396 plus One Dollar (\$1.00) transfer fee. Any dues paid beyond the month in
397 which the transfer card expires, will be paid by the issuing local union
398 to the admitting local union, less the per capita dues. Of these dues, if
399 the dues structure is higher in the admitting local union, the member

will be required to pay the difference to the admitting local union, less the per capita dues which were previously paid to the International by the issuing local union.

SEC. 9(d). The financial secretary-treasurer of each local union is obligated to issue official transfer cards to good standing members in the manner specified in the Constitution without action or approval of the members of the local union.

SEC. 9(e). When a transfer card is issued by a local union it shall bear the signature of the president and financial secretary-treasurer and the seal of the local union and shall be endorsed by the member receiving the same in the presence of the financial secretary-treasurer. When a transfer card is issued by the General Secretary-Treasurer it shall be signed by them and bear the seal of this Association.

SEC. 9(f). SEC. 9(g). When depositing a transfer card, the member shall record thereon their local address and shall keep the local union informed of any change in the local address.

SEC. 9(h). 434 **SEC. 9(i).** Until such time as a traveling member deposits their trans-
435 fer card with and it is accepted by another local union, they shall pay
436 dues and all other obligations directly to the local union which issued
437 the same and of which they are still a member, and they shall not pay
438 dues in any other local union until their transfer card is properly depos-

440 obligations directly to the local union of which they are still a member,

442 local union, or should they fail to pay dues to another local union, after
443 their transfer card has been properly deposited and accepted therein,
444 they shall be recorded suspended without notice, in accordance with
445 this Constitution, when two (2) months in arrears.

446 **SEC. 9(j).** Except as provided in Section 9(k) of this Article, any mem-
447 ber who accepts employment in the jurisdiction of another local union
448 after the deposit and acceptance of their transfer card shall pay to said
449 local union the difference, if any, between the amount of initiation fee
450 actually paid prior to their transfer as recorded in the General Office
451 and the established initiation fee of the local union in which their
452 transfer card was deposited and accepted, provided that no local union
453 shall be required to admit any member on transfer card who has less
454 than five (5) years of continuous good standing with this Association,
455 unless after appearance before the local union examining board, such
456 member demonstrates that they are capable of performing the work
457 coming within the jurisdiction of such local union, in accordance with
458 the standards of workmanship established by such local union.

459 **SEC. 9(k).** Any member who has established a record of continuous
460 good standing of five (5) years or more, to and including the date of issu-
461 ance of transfer card shall be admitted by transfer card into any local
462 union of this Association in accordance with the requirements of this
463 Constitution, and without payment of any difference in initiation fee.

SEC. 9(l). Any member who desires to leave the jurisdiction of a local union with which their transfer card is properly deposited and accepted before the difference between the actual amount of initiation fee paid by the member prior to their transfer and the established initiation fee of the local union is paid in full shall be granted a transfer card with credit for the actual amount of initiation fee paid prior to transfer, plus any difference paid subsequent to transfer, provided they shall pay all dues and obligations including dues in advance to and for the month in which transfer card expires, plus One Dollar (\$1.00) transfer fee.

SEC. 9(m). Each transfer card shall have attached thereto a form which shall be detached by the financial secretary-treasurer of the local union with which the transfer card is deposited. Said form shall be filled out over the signature of the financial secretary-treasurer and the seal of the local union and forwarded to the General Secretary-Treasurer, and when all requirements of this Constitution have been complied with, the transfer card shall be cleared and recorded at the General Office.

SEC. 9(n). The transfer card of any good standing member when properly issued and presented for deposit with proper identification shall be accepted by any local union in accordance with this Constitution, except in localities where strikes, lockouts, disputes or controversies regarding wages or working conditions exist, or where negotiations for wages or working conditions are pending or unsettled, provided, however, that this exception shall apply only to strikes involving an entire segment of the industry and shall not apply in those cases where negotiations have resulted in an agreement under which members continue in or return to employment.

SEC. 9(o). No member shall be recorded at the General Office as transferred from one local union to another until all requirements of this Constitution have been complied with and the record of transfer properly certified and acknowledged by the General Secretary-Treasurer.

SEC. 9(p). No transfer cards issued or accepted by local unions contrary to this Constitution shall be recognized or cleared by the General

496 Secretary-Treasurer but shall be declared void. Members involved shall
497 assume full responsibility and liability for any loss of standing resulting
498 from such transactions.

499 **SEC. 9(q).** In all cases where members procure and attempt to deposit
500 transfer cards in violation of the provisions of this Constitution, said
501 transfer cards shall be void, and the members attempting to deposit
502 such transfer cards for the purpose of evading the provisions of this
503 Constitution shall be subject to fine, suspension or expulsion by the
504 local union issuing the transfer cards.

505 **SEC. 9(r).** Any member who accepts employment in the jurisdiction
506 of another local union and fails to comply with the provisions of this
507 Article relating to the obtaining and deposit of transfer cards shall be
508 subject to charges and trial and, except as provided in Section 9(q) of
509 this Article, shall be tried in the local union in whose jurisdiction the
510 offense was committed. Any penalty properly imposed by such local
511 union shall be recognized and complied with by any such member
512 found guilty of such charges, subject to appeal as provided in Article
513 Nineteen (19) of this Constitution.

514 **SEC. 9(s).** Notwithstanding any other provisions of this Article, a
515 good standing member shall obtain a transfer card in order to work
516 within the jurisdiction of another local union in the event they change

519 **SECTION 10 – PORTABILITY OF LABOR/TRAVELERS**

520 **SEC. 10(a).** Members sent by their employers from the jurisdiction of

522 to the office or to the financial secretary-treasurer, business manager,
523 business representative, president or recording secretary of the local
524 union in whose jurisdiction they are located, or if the local union is
525 affiliated to a regional council, the regional manager or representative
526 assigned to the local union. Such report shall be made before starting

to work and may be made in person, by telephone, by facsimile, by regular mail, email or other acceptable means as determined by the local union. Said members shall receive from their employers at least the established wage scale of the local union of which they are members and in no case less than the established wage scale of the local union in whose jurisdiction they are employed, plus all necessary expenses while employed in the jurisdiction of another local union, and shall otherwise comply with the established working rules and conditions of the local union in whose jurisdiction they are located. Said members shall not be required to transfer their membership to the local union in whose jurisdiction they are temporarily employed.

In the event qualified members are available in the jurisdiction of the local union in which the work is to be performed, not more than two (2) members per job shall, at the request of the employer, leave the jurisdiction of the local union where the shop of the employer is located and enter the jurisdiction of the local union in which the work is to be performed for the purpose of performing such work.

SEC. 10(b). Except as otherwise provided in Section 10(d) of this Article, where the shop of an employer is located in the jurisdiction of one local union and such employer has a contract for work within the jurisdiction of another local union, they may employ members of the local union having jurisdiction over the territory where the work is to be performed, and such members shall retain their membership in the local union having jurisdiction over the territory where the work is to be performed. Should the employment of such members be continued by such employer and in the course of such employment it becomes necessary for them to work within the jurisdiction of other local unions, they may retain their membership in the same local union in which they were members when the period of continuous employment began or secure transfer cards and deposit same with the local union having jurisdiction over the territory in which the shop of the employer is located and comply with the requirements of Section 10(a) of this Article.

559 **SEC. 10(c).** Any member who accepts employment in the jurisdiction
560 of another local union and fails to comply with the provisions of Section
561 10(a) of this Article shall be subject to charges and trial and shall be tried
562 in the local union in whose jurisdiction the offense was committed. Any
563 penalty properly imposed by such local union shall be recognized and
564 complied with by any such member found guilty of such charges, sub-
565 ject to appeal as provided in Article Nineteen (19) of this Constitution.

577 International Association of Sheet Metal, Air, Rail and Transportation
578 Workers (formerly the Sheet Metal Workers' International Association)
579 Master Reciprocal Agreement will know that any contributions made
580 on behalf of the traveling member may be intended for, and may need

627 Any member who is suspended in accordance with Section 11 of this
628 Article, who is otherwise eligible to membership, who does not comply

644 not been reported to the General Secretary-Treasurer as provided in
645 Section 4 of Article Thirteen (13), and (3) obtaining the written consent

648 of Article Thirteen (13) of this Constitution regarding notice to the Gen-
649 eral Secretary-Treasurer of obligations due from suspended or expelled

651 suspension was occasioned by any act of fraud, deception, embezzle-
652 ment, misappropriation, or appropriating to their own use any monies,

properties or things of value belonging to this Association or any local union or council thereof, such former member shall be eligible for reinitiation only with the consent of the General President and the local union and council of which they were formerly a member and only on condition that they have complied with all requirements of this Constitution, including the payment in full of all money due and the surrender of all property and things of value belonging to this Association and any local union or council thereof, and upon the further condition that they shall not be eligible for or be permitted thereafter to hold any office or position in this Association or local union or council thereof.

Notwithstanding any other provisions of this Section, the General President, the General Executive Council or the General Convention may permit, order, or deny reinstatement of a suspended or expelled member if such action is deemed to be in the best interests of a local union or this Association.

SECTION 13 – MAINTENANCE OF GOOD STANDING

SEC. 13(a). Responsibility for establishing and maintaining good standing in accordance with this Constitution rests entirely with each individual member. The actual payment of dues, per capita dues, initiation fees, reinitiation fees, reinstatement fees and other obligations by each member, when properly acknowledged and recorded on official receipts in either electronic or in triplicate form, with white duplicate (copies) of official receipts filed at the General Office, for which dues and fees due this Association have been paid in accordance with this Constitution, including the provisions of Article 10, Section 2(f), is the only recognized and acceptable evidence of the standing of any member unless said obligations have been withheld from the employee's wages by their employer pursuant to a valid check-off authorization.

SEC. 13(b). Each applicant for membership and each member, when making payments on initiation fees, dues, assessments, reinstatement fees, reinitiation fees or other obligations affecting their standing, shall

684 demand and receive the original copy of official receipt issued in either
685 electronic or in triplicate form and shall accept no other form of receipt,
686 nor shall any local union or officer or representative thereof issue any
687 other form of receipt.

688 **SEC. 13(c).** The record of continuous good standing shall be recorded
689 broken without notice in each instance when either electronic or dupli-
690 cate (copies) of official receipts establish the fact that dues and other
691 obligations, including International per capita dues and fees, were not
692 paid within the two (2) month limit. The record of continuous good
693 standing shall likewise be forfeited in each instance where the member
694 has been recorded suspended or expelled or has been issued a with-
695 drawal card, and the record of continuous good standing thus broken
696 cannot be reinstated or restored.

697 **SEC. 13(d).** The record of continuous good standing of reinstated
698 or reinitiated members begins with date of reinstatement or reinitia-

701 reinstated or reinitiated members shall be recorded broken in the same
702 manner and under the same conditions specified in Section 13(c) of this
703 Article, and the record of continuous good standing thus broken cannot
704 be reinstated or restored.

705

SECTION 14 – RESIGNATION

707 shall be effective upon receipt of written notification by mail or hand
708 delivery to any full-time officer or business representative at their local
709 union. In Canada, no resignation shall be accepted if offered in antici-
710 pation of charges being preferred against them, during the pendency of
711 any such charges or during a strike or lockout.

712 The General Secretary-Treasurer shall have the authority to issue a
713 certificate of honorable resignation to individuals who have established
714 a record of membership in good standing for a period of twenty-five (25)

years or more in SMART, and whose names have been submitted by the local union for this certificate. 715
716

SECTION 15 – HONORARY MEMBER 717

SEC. 15. From time to time the International may wish to honor an individual who has a sustained record of supporting the labor movement and exemplifies dedicated public service by granting them an honorary membership of this Association. Any local union may submit a request to the International for an individual to be granted an honorary membership. Honorary memberships shall be granted by the General President at conferences, conventions or other significant functions of this Association or functions at which the General President or their designee is attending and participating. An honorary member is welcome to attend Association events as a guest, but the membership itself provides none of the usual rights of union membership and does not require the payment of dues. 718

2 **MEMBERS OF LOCAL UNIONS OR COUNCILS**

3 **SEC. 1(a).** Charges against officers, representatives or members of any
4 local union, council, committee or board may be preferred in the manner

provided in this Article by any member or members, local union, council, committee or board or any officer or representative thereof or by any General Officer or International Representative of this Association.

SEC. 1(b). All charges provided for in this Section shall be in writing and filed by the charging party not later than ninety (90) days after their knowledge of the alleged offense, except that when the alleged offense occurs during the pendency of a strike supported or participated in by the local union affected, the charges shall be filed within ninety (90) days from the conclusion of such strike, signed by the party preferring them and shall contain a specific statement of the facts out of which the charges arose and the duty or obligation including the sections of this Constitution alleged to have been violated.

SEC. 1(c). The officer, representative or member preferring such charges, shall send a copy of the same by registered or certified mail, return receipt requested, by private delivery service such as the United Parcel Service with signature required or proof of delivery, or by a courier delivery service that provides a return receipt to the accused, to the local union of which the accused is a member, and, if the misconduct occurred in the jurisdiction of another local union, to the local union in which a trial on the charges may properly be held.

SEC. 1(d). Upon the request of a charging party, the accused or the subordinate body with which charges are filed, or on their own motion, the General President may, in their discretion, order the accused tried by a trial board appointed by them. A request to the General President must be in writing and addressed to and received by the General Secretary-Treasurer, and a copy mailed to opposing parties, within ten (10) days from the date the charges are received by the local union. Trial boards shall be composed of two (2) or more good standing members, International Representatives or General Officers who are not directly or indirectly involved in the matters which give rise to the charges upon which the accused is to be tried and who are not members of the local

36 union of which the accused is a member or of the local union in whose

40 **SEC. 1(e).** Charges preferred against any member, officer or represen-

45 with the provisions of Section 3 of this Article, except that the accused
46 may be represented by any good standing member, as counsel, other than
47 a General Officer or a member of the General Executive Council.

48 SECTION 2 – TRIAL IN LOCAL UNIONS

49 **SEC. 2(a).** Unless otherwise provided in this Constitution, trials in
50 local unions shall be conducted in the local union in whose jurisdic-
51 tion the alleged offense was committed by the local union Executive
52 Board or a trial committee consisting of three (3) or more members of
53 such local union selected in accordance with the provisions of Section
54 2(b) of this Article.

55 **SEC. 2(b).** The determination whether the trial is to be conducted
56 by the local union's Executive Board or by a trial committee elected by
57 the local union shall be made at the first regular meeting held not less
58 than fifteen (15) days after a copy of the charges has been mailed to the
59 accused, including notice to the accused of the date, time and place of
60 the meeting, by registered or certified mail, return receipt requested, by
61 private delivery service such as the United Parcel Service with signa-
62 ture required or proof of delivery, or by a courier delivery service that
63 provides a return receipt as provided in this Article or at a special meet-
64 ing held after fifteen (15) days' notice to the membership including the
65 accused. No member of a local union shall be eligible to serve on a trial
66 committee, whether it consists of a local union Executive Board or is

elected, if they are directly or indirectly involved in the matters which gave rise to the charges upon which the accused is to be tried.

SEC. 2(c). The accused shall have the right to challenge two (2) members of the original trial committee immediately after the election of the entire committee, provided they are present at the meeting at which the trial committee is elected, and they shall be declared removed by the presiding officer. The local union shall then at the same meeting elect a member or members to fill any vacancies in the trial committee created by the challenges. The election to fill such vacancies shall be held in the same manner as the election of the original trial committee.

If the trial is to be conducted by the local union Executive Board, the accused, if present at the meeting at which the Executive Board is directed to conduct the trial, shall have the right to challenge two (2) members of such board at such meeting and such challenged members will not be permitted to participate in such trial. No other member will be elected to take the place of Executive Board members thus challenged. In the event a majority of the local union Executive Board is unable because of challenges, or is otherwise ineligible to participate in such trial, the local union shall elect a trial committee in the manner prescribed in this Section.

SEC. 2(d). The trial committee shall elect a presiding officer and secretary and fix the time and place of trial. The presiding officer shall notify the accused and those who preferred the charges, by registered or certified mail, return receipt requested, by private delivery service such as the United Parcel Service with signature required or proof of delivery, or by a courier delivery service that provides a return receipt of the time and place of trial and such trial shall be promptly held but shall not be held less than fifteen (15) days after the mailing of such notice. Before the hearing is held, the charging party may amend the charges to add newly-discovered facts related to those in the original charges and the provisions of this Constitution alleged to be violated by such new facts. The amendment shall be submitted to the trial committee with a copy

99 to the charged party as provided in Section 1(c). The trial committee
100 shall decide whether to allow the amendment and shall notify the par-
101 ties of its decision. If the amendment is allowed, the hearing shall be
102 held not less than fifteen (15) days following the date the trial committee
103 sent its decision.

104 **SEC. 2(e).** A trial may be conducted by a majority of the trial com-
105 mittee, provided the same members of such committee hear all of the
106 evidence presented at such trial. No member of the trial committee who
107 absents themselves from any session of a trial may participate in the
108 findings, decision or recommendations of the trial committee or file any
109 concurring or dissenting opinion.

110 All parties shall be given full opportunity to present all relevant
111 evidence and exhibits which they deem necessary to the proper presen-
112 tation of their case and shall be entitled to cross-examine witnesses of
113 the other party or parties. Each party must submit five copies of each
114 exhibit the party seeks to introduce. Each party shall have the privilege
115 of selecting any good standing member of their or any other local union
116 to act as their counsel in the trial proceedings, except a member of the
117 trial committee or a member of the Executive Board when it is acting as
118 the trial committee.

119 A verbatim transcript of the trial proceedings prepared by a quali-
120 fied court reporter may be ordered at the local union's discretion and
121 expense or it may be ordered as a matter of right by the charging party
122 or the accused at their expense after prior notification to the local union
123 in which event copies thereof must be furnished to the secretary of the
124 trial committee and the opposing party; but the proceeding shall not be
125 recorded by tape, wire, electronic or other similar device by any person
126 other than the qualified court reporter.

127 In the event no stenographic transcript is made, the secretary of the
128 trial committee shall reduce the minutes of the trial to writing and
129 include therein the substance of the testimony and all exhibits submitted
130 at the trial. Unless previously furnished they shall send to each party by

registered or certified mail, return receipt requested, by private delivery
 service such as the United Parcel Service with signature required or proof
 of delivery, or by a courier delivery service that provides a return receipt
 a copy of the transcript or minutes, as the case may be, and each party
 within ten (10) days after receiving same shall submit to the secretary of
 the trial committee, in writing, any objections thereto. The record thus
 made shall constitute the record of the trial for the purpose of appeal and
 in the event any party fails to file objections thereto within the time limit
 prescribed herein, the transcript or minutes furnished by the secretary
 of the trial committee, for purposes of appeal, shall be deemed to be a
 correct record of the trial procedure and of the evidence presented.

All matters relating to the procedure of the trial, not otherwise spec-
 ified in this Section, shall be determined by the trial committee and all
 parties and their respective counsel shall comply with all orders and
 directions of the trial committee with respect to such matters.

SEC. 2(f). At the next regular meeting of the local union, following
 the conclusion of the trial, the trial committee shall submit to the local
 union in writing, its findings of the facts, decision and recommenda-
 tions. The members of the local union there assembled shall vote,
 without debate, solely on the question of whether to accept or reject the
 decision and recommendations of the trial committee and a majority
 vote shall be final, subject only to appeal.

No further trial shall be had on the same charges unless directed by
 a decision on appeal.

SEC. 2(g). The accused and those who preferred the charges and the
 local union of which the accused is a member shall be notified by reg-
 istered or certified mail, return receipt requested, by private delivery
 service such as the United Parcel Service with signature required or
 proof of delivery, or by a courier service that provides a return receipt
 of the action of the trial committee and of the local union in connection
 therewith. Such notice shall advise the parties of their right to appeal
 to the General President.

163 **SEC. 2(h).** Except as provided in Section 2(i) of this Article, should
164 the accused fail, refuse or neglect to appear for trial after due notice or,
165 after appearing, refuse to comply with orders or directions of the trial
166 committee relating to the conduct of their trial or otherwise attempt to
167 obstruct or thwart the trial committee in its conduct of their trial, the
168 trial committee shall proceed with their trial in their absence, hear such
169 evidence as may be presented by witnesses who respond to notice, and
170 render its findings, decision, and recommendations. Nothing contained
171 in this paragraph shall deprive the accused of the privilege of selecting
172 a good standing member of their or any other local union to act as their
173 counsel during proceedings unless such counsel should refuse to com-
174 ply with orders or directions of the trial committee relating to the trial
175 or should otherwise attempt to obstruct or thwart the trial committee
176 in its conduct of the trial. Should those who preferred the charges fail to
177 appear after due notice, the accused shall be found not guilty.

178 **SEC. 2(i).** In the event the accused is employed at a point one hun-
179 dred (100) or more miles distant from the point at which such trial is to
180 be held, such party may submit their evidence in written form and shall
181 not be required to attend the trial in person.

182 **SEC. 2(j).** Either party shall be granted a postponement of a trial for
183 a reasonable time by the chair of the trial committee if valid reasons
184 are presented, or the trial committee may postpone the trial, either on
185 request or on its own motion, for no more than thirty (30) days.

186 **SEC. 2(k).** Either party to the proceedings, provided for in this Sec-
187 tion, may appeal from the findings, decision, or recommendations of a
188 trial committee or the action of any local union in connection therewith
189 in the manner prescribed in Article Nineteen (19).

190 **SECTION 3 – TRIAL BY INTERNATIONAL TRIAL BOARD**

191 **SEC. 3(a).** Should the General President order an accused member,
192 officer, or representative of any local union or council to be tried by
193 International Trial Board as provided in Section 1(d) of this Article, they

shall, in the event the charges were filed with a local union, notify such local union, the accused and those preferring the charges in writing, by registered or certified mail, return receipt requested, by private delivery service such as the United Parcel Service with signature required or proof of delivery, or by a courier delivery service that provides a return receipt of the time and place of such trial. Should the General President order the trial held at a place other than within the jurisdiction of the local union in which the alleged offense occurred or of which the accused is a member, the parties and their counsel shall be reimbursed for travel expenses and earnings necessarily lost as a result of their attendance at the trial. Expenses and loss of earnings may be allowed to witnesses in the discretion of the General President, but in the event such allowance to witnesses is not made, the Trial Board shall admit in evidence all relevant testimony of witnesses which either party submitted in affidavit form.

If charges were initially filed with the General President as provided in Section 1(e) of this Article, they shall notify the accused and those preferring the charges, in writing, by registered or certified mail, return receipt requested, by a private delivery service such as the United Parcel Service with signature required or proof of delivery, or by a courier delivery service that provides a return receipt of the time and place of such trial.

 Secretary will provide a separate ballot for all members in service and 38

 'A' and seal. Place sealed envelope 'A' in envelope marked 'Ballot' and seal. 51
 Place name and address in upper left-hand corner of envelope marked 52

69 results shall be reported to the President of the Local in writing.

70 The candidate receiving a majority of the votes cast for a given office

72 receives a majority of the votes cast, another ballot shall be submitted
73 to all eligible voters upon which shall appear only the names of the
74 two (2) candidates receiving the highest numbers of votes cast for that
75 office. If any number of the candidates for a given office are tied for
76 the highest number of the votes cast, another ballot shall be submit-
77 ted to all eligible voters upon which shall appear only the names of the
78 candidates receiving the highest number of votes cast for that office. If
79 one (1) candidate receives the highest number but that number does not
80 constitute a majority of the votes cast for a given office and any num-
81 ber of candidates are tied for the second highest number of votes cast,
82 another ballot shall be submitted to all eligible voters upon which shall
83 appear only the name of the candidate receiving the highest number

3 **SEC. 70.** Officers and Committeepersons employed by their Locals on
4 a full-time basis shall be granted vacation with pay, consistent with the
5 terms of the National Vacation Agreement, based upon earnings from their
6 Local. Such vacations may be split but will not be carried over from one
7 year to the next. Officers and Committeepersons employed by their Locals
8 on a part-time basis shall be paid the difference between the amount of
9 vacation pay allowed by their carrier and the amount of vacation pay they
10 would have received had their wages with the Local been earned with the
11 carrier. However, if they do not work a sufficient amount of time with their
12 carrier to qualify for a vacation, they shall be allowed a vacation with pay,
13 consistent with the terms of the National Vacation Agreement, based upon
14 their total earnings with the carrier and the Local.

Vacation allowances provided herein shall be paid by the Treasurer from the appropriate Local funds within ten (10) days after receipt of the vacation claim. This Section is intended to prevent any loss in vacation time and pay as a result of serving the Local.

SECTION 71 – BONDING OF LOCAL OFFICERS

SEC. 71. For bonding see Article Five (5), Section 1 (c).

If a shortage in Local funds is found to exist or there is evidence that a shortage may exist, immediate notice with details and a statement of the evidence must be sent to the General Secretary- Treasurer and the President Transportation Division by the President, Secretary, or other officers of the Local having such knowledge.

Auditors of the International will audit local records in such cases and attempt to collect any shortage that may exist.

SECTION 72 – SURPLUS ASSETS OF LOCALS

SEC. 72. A Local may deposit surplus assets with the International. Locals making such deposits shall be responsible for the pro rata share of expenses incidental thereto.

The General Secretary-Treasurer shall be the custodian of such assets deposited. The deposits shall be placed in a suitable safety deposit box. At least two (2) members of the General Executive Council shall be present when assets are deposited or the deposit box is opened.

The General Secretary-Treasurer shall maintain a record of the deposits and attend to the collection of any income due thereon and remit same to the Local involved.

Assets deposited with the International must be shown by the Treasurer as part of the balance on hand to the credit of the Local. Deposits may be withdrawn at any time upon submitting to the General Secretary-Treasurer a resolution adopted by Local action, signed by the President and Treasurer, and bearing the Local seal.

1 **SECTION 73 – REVOKING OR SURRENDERING**
2 **LOCAL CHARTERS**

3 **SEC. 73.** The charter of a Local may be revoked by recommendation
4 of the President Transportation Division, with approval of the Gen-
5 eral President and General Executive Council, for any of the following
6 reasons:

- 7 1. Improper conduct.
- 8 2. Neglecting or refusing to conform to the provisions
9 of this Constitution or the Local's bylaws.
- 10 3. Neglecting or refusing to make required returns and reports.
- 11 4. Neglecting or refusing to hold at least one (1)
12 regular meeting each month.
- 13 5. Neglecting or refusing to elect and install a successor
14 to an officer who was removed from office.
- 15 6. Neglecting or refusing to bring an officer or member
16 to trial when directed to do so by the General
17 President and President Transportation Division.

18 No charter can be revoked until the President Transportation Divi-
19 sion has given at least thirty (30) days' written notice to the President
20 and Secretary of the Local and the interested General Chairpersons
21 of their intention to revoke the charter and a Transportation Division
22 officer, or International Representative, has attended a designated reg-
23 ular meeting of the Local for the purpose of investigating the matter
24 and giving the officers and members of the Local an opportunity to
25 be heard.

26 A Local whose charter has been revoked shall be known as a defunct
27 Local. All property, funds, and securities of a defunct Local shall
28 automatically be vested in the Local(s) into which its members are

transferred, on a pro rata basis, as of the date the charter is revoked. 29
 The President Transportation Division, subject to review by the General 30
 President and after consultation with the interested General Chairper- 31
 sons, State or District Chairpersons, shall designate the Local(s) into 32
 which the defunct Local's members will be transferred consistent with 33
 such changes in jurisdiction as might become necessary as a result of 34
 closing the Local. 35

The officers of a defunct Local shall deliver to the General Secretary- 36
 Treasurer, within thirty (30) days after its charter is revoked, all required 37
 items under Article Ten (10), Section 10. Local officers who fail to comply 38
 with the provisions of this paragraph shall be suspended from mem- 39
 bership in SMART. 40

An expelled or suspended member whose Local is defunct may file 41
 application for admission into the Local then holding jurisdiction over 42
 their employment. Such application shall be treated and progressed as 43
 if it were an application for readmission under the provisions of Section 44
 51 of Article Twenty-One B (21B). 45

Any Local wishing to surrender its charter may do so by majority vote 46
 of the members and shall notify the President Transportation Division, 47
 who will with approval of the General President, appoint a responsible 48
 representative to take full charge of the charter and all property of the 49
 Local for disposition in accordance with this Section. 50

SECTION 74 – CHARGES AND TRIALS – OFFICERS, 1
COMMITTEEPERSONS, AND MEMBERS OF LOCALS, 2
GENERAL COMMITTEES OF ADJUSTMENT AND SAFETY 3
AND LEGISLATIVE BOARDS 4

SEC. 74. (a) Charges may be preferred against a Local officer, Com- 5
 mitteeperson, or member for failure to fulfill the obligations and 6
 responsibilities imposed upon them by Article Twenty-One B (21B). 7
 Charges not covered under Article Twenty-One B (21B) and charges 8
 which could be brought under Article Twenty-One B (21B) and Article 9

10 Seventeen (17) will be processed under the provisions of Articles Seven-
11 teen (17) and Eighteen (18).

12 Charges must be made in writing and shall clearly specify the alleged
13 offense(s) together with the section(s) of Article Twenty-One B (21B)
14 which it is alleged have been violated.

15 Charges must be signed by the party preferring them. They shall
16 then forward the charges by certified mail to the Secretary of the Local
17 in which the accused holds membership unless the alleged offense was
18 committed under the jurisdiction of another Local, in which case the
19 charges will be sent to the Secretary of that Local.

20 A Local officer or Committeeperson against whom charges have been
21 preferred shall continue in office while under charges unless otherwise
22 voted by the Local.

23 A member shall not be suspended for non-payment of dues while
24 under charges. The Local Treasurer is authorized to pay such member-
25 ship dues from the Local fund until the charges have been tried and
26 determined. The money involved will be considered as a loan to the
27 member, and unless repaid on or before a day designated by the Local,
28 the member will be suspended for non-payment of dues.

29 The Local will consider the charges at its first regular meeting fol-
30 lowing their receipt by the Secretary of the Local, and unless charges
31 are found to be completely lacking in substance or merit, the Local will
32 accept the charges and authorize a trial. A decision by the Local not
33 to hold a trial on charges may be appealed to the General President as
34 provided in Article Eighteen (18), Section 1(d).

35 A Trial Board consisting of five (5) members of the Local working in
36 the craft of the accused shall be elected by the Local and the Trial Board
37 shall elect from its members a Chairperson and a Secretary and proceed
38 to try the case. Within three (3) days of their first meeting, the Secre-
39 tary of the Trial Board shall send to the accused by certified mail a copy
40 of the charges and notice of the date, time, and place of trial. The date
41 selected for the trial must permit not less than fifteen (15) days' advance

notice to both parties involved in the trial. The trial shall be held within thirty (30) days from the meeting at which the charges were presented.

The Secretary of the Trial Board shall send by certified mail the same information relative to the trial to the party preferring the charges along with instructions to attend the trial for the purpose of submitting evidence and testimony in support of the charges and to participate in cross-examination by or on behalf of the accused.

The majority of the Trial Board shall constitute a quorum and, in the absence of a quorum, no trial shall be held and the Trial Board will report the circumstances to the Local at its next meeting. If the Local elects to continue the trial, the Chairperson of the Trial Board will then set another date for the trial and notify all parties involved of the time, place, and date of the rescheduled trial, which shall be held within thirty (30) days.

No member of a Trial Board shall be directly or indirectly involved as a party, witness, or otherwise in the conduct giving rise to the charges preferred against the accused. In the event any of the members of a Trial Board are so involved, they shall be disqualified to sit and the Local shall elect a substitute member.

Each party to a trial shall have the privilege of designating any party, except a party involved in the charges or proceedings, to act as their representative or counsel in the trial proceedings.

The party preferring the charges shall deliver in writing to the Chairperson of the Trial Board a list of the names of witnesses which they intend to call in support of the charges. They shall furnish a copy of such list to the accused and shall also act as prosecutor in the case either in person or through their counsel or representative.

For good cause any party may request a postponement of the date set for trial. Such request shall be addressed to the Chairperson of the Trial Board and shall be subject to approval or rejection within the discretion of the members of the Trial Board. Such postponements shall not exceed ninety (90) days.

74 Should the accused fail to appear for trial after being notified as pre-
75 scribed in the foregoing, should they appear but refuse to comply with
76 the rules for the conduct of the trial prescribed by Article Twenty-One
77 B (21B), the Local bylaws, or the Trial Board, or should they engage in
78 conduct designed to obstruct the trial, the Trial Board shall proceed
79 to conduct the trial in their absence. The accused, the party preferring
80 charges, counsel or other representative for either party, or any wit-
81 nesses who are guilty of misconduct before the Trial Board shall be
82 excluded thereafter from the trial proceedings and the trial shall con-
83 tinue in their absence.

84 The Trial Board shall arrange for a transcript of the trial proceedings.
85 A copy of the transcript shall be furnished to each party without cost.

86 Both parties to the trial shall be given full opportunity to present any
87 witnesses and all relevant evidence and exhibits which they deem nec-
88 essary to a proper presentation of their case and shall be entitled to
89 cross-examine witnesses of the other party. Should a witness be unable
90 to attend any trial session of the Trial Board, the evidence of such wit-
91 ness may be taken in deposition form before a notary public or other
92 civil officer authorized to administer oaths. Said deposition shall be
93 admissible evidence at the trial proceedings provided the adverse party
94 or their counsel is given the opportunity of being present and cross-ex-
95 amining the witness when the deposition is taken.

96 Before giving testimony, any witnesses who are members of SMART
97 shall be required to make the following affirmation:

98 “Do you solemnly affirm upon your honor as a member of SMART
99 that the evidence to be given by you in this case shall be the truth and
100 nothing but the truth?”

101 All persons shall be excluded from trial sessions except the members
102 of the Trial Board, parties to the trial and their counsel or representative,
103 the witness who is testifying, and the reporter or person transcribing
104 the testimony.

After all evidence has been presented and arguments made by all parties or their counsel, the Trial Board shall conclude the trial and, as soon as practicable, assemble in executive session for consideration of its decision.

The Trial Board shall render its decision in writing within fifteen (15) days following the date upon which the trial was concluded. If the accused is found guilty, the Trial Board shall fix the penalty to be assessed which shall be fine, reprimand, removal from office or suspension. Such decision shall contain a statement of the pertinent facts involved, the violations charged, and the penalty to be imposed if the verdict is one of guilt. Such decision and penalty shall be final and binding unless reversed or modified upon appeal as provided in Article Nineteen (19).

The Trial Board shall forward copies of its decision by certified mail to the accused and the party preferring the charges. Copies shall also be mailed to the President Transportation Division, General Secretary-Treasurer, and the Secretary of the Local.

If suspension is the penalty prescribed by the Trial Board, such suspension will be for not more than two (2) months beginning with the first day of the month following the month in which the Trial Board renders its decision.

If removal from office is the penalty, such removal shall become effective on the date the Trial Board's decision is delivered to the accused by certified mail, except as provided in Article Nineteen (19), Section 5.

If reprimand is the penalty, the accused shall be summoned to attend a regular meeting of the Local to be reprimanded by the President. If they fail to attend, the accused shall be suspended from membership until they do attend a meeting to receive the reprimand. If the failure to attend continues until the close of the month following the month in which the accused was summoned, they shall be expelled.

If the President Transportation Division finds a local President or Treasurer to be negligent, they may remove the President, Treasurer, or

137 both from office pending completion of a trial by an International Trial
138 Board on charges filed by the President or another member.

139 (b) Charges may be preferred against officers and members of General
140 Committees of Adjustment or Safety and Legislative Boards for failure
141 to fulfill the obligations and responsibilities imposed upon them by this
142 Constitution and by their General Committee of Adjustment or Safety
143 and Legislative Board. Charges not covered under Article Twenty-One
144 B (21B) and charges which could be brought under Article Twenty-One
145 B (21B) and Article Seventeen (17) will be processed under the provisions
146 of Articles Seventeen (17) and Eighteen (18).

147 Charges must be made in writing and shall clearly specify the alleged
148 offense(s) together with the section(s) of Article Twenty-One B (21B)
149 and/or those obligations and responsibilities which it is alleged have
150 been violated.

151 Charges must be signed by the party preferring them. Said party
152 shall forward copies by certified mail to the accused, the President
153 Transportation Division, and the Secretary of the General Committee
154 of Adjustment or Secretary of the Safety and Legislative Board as the
155 case may be. The President Transportation Division shall promptly fur-
156 nish copies of the charges to all members of the General Committee of
157 Adjustment or Safety and Legislative Board involved.

158 If in the opinion of the majority of the members of the General
159 Committee of Adjustment or Safety and Legislative Board the charges
160 warrant trying the accused, the President Transportation Division shall
161 give the accused and the party preferring the charges fifteen (15) days'
162 notice prior to the convening of a Trial Board to try the accused. The
163 Trial Board shall consist of not more than five (5) members appointed
164 by the President Transportation Division from among those members
165 of the General Committee of Adjustment or Safety and Legislative
166 Board, as the case may be, who are not involved in the charges. The first
167 named shall be chairperson. A majority of the Trial Board shall consti-
168 tute a quorum. The Trial Board shall meet at the time and place chosen

by the President Transportation Division, elect a Secretary, and proceed 169
 to try the case. If members of the General Committee of Adjustment or 170
 Safety and Legislative Board decide not to hold a trial on charges, the 171
 charging party may request the General President as provided in Article 172
 Eighteen (18), Section 1(d) to appoint a Trial Board to hear the charges. 173

Each party to a trial shall have the privilege of designating any party, 174
 except a party involved in the charges or proceedings, to act as their 175
 counsel or representative in the trial proceedings. 176

The party preferring the charges shall deliver in writing to the Chair- 177
 person of the Trial Board a list of names of witnesses which they intend 178
 to call in support of the charges and shall furnish a copy to the accused. 179
 The accuser shall also act as prosecutor in the case either in person or 180
 through their counsel or representative. 181

Should the accused fail to appear for trial after notice as prescribed 182
 in the foregoing, should they appear but refuse to comply with the 183
 rules for the conduct of the trial prescribed by Article Twenty-One B 184
 (21B) or the Trial Board, or should they engage in conduct designed to 185
 obstruct their trial, the Trial Board shall proceed to conduct the trial 186
 in their absence. The accused, the party preferring charges, counsel or 187
 other representative for either party, or any witnesses who are guilty of 188
 misconduct before the Trial Board shall be excluded thereafter from the 189
 trial proceedings and the trial shall continue in their absence. 190

The Trial Board shall arrange for a transcript of the trial proceedings. 191
 A copy of the transcript shall be furnished to each party without cost. 192

Both parties to the trial shall be given full opportunity to present any 193
 witnesses and all relevant evidence and exhibits which they deem nec- 194
 essary to a proper presentation of their case and shall be entitled to 195
 cross-examine witnesses of the other party. Should a witness be unable 196
 to attend any trial session of the Trial Board, the evidence of such wit- 197
 nesses may be taken in deposition form before a notary public or other 198
 civil officer authorized to administer oaths. Said deposition shall be 199
 admissible evidence at the trial proceedings provided the adverse party 200

201 or their counsel is given the opportunity of being present and cross-ex-
202 amining the witness when the deposition is taken.

203 Before giving testimony, any witnesses who are members of SMART
204 shall be required to make the following affirmations:

205 "Do you solemnly affirm upon your honor as a member of SMART
206 that the evidence to be given by you in this case shall be the truth and
207 nothing but the truth?"

208 All persons shall be excluded from trial sessions except members of
209 the Trial Board, parties to the trial and their counsel or representative,
210 the witness who is testifying, and the reporter or person transcribing
211 the testimony.

212 After all evidence has been presented and arguments made by all
213 parties or their counsel, the Trial Board shall conclude the trial and, as
214 soon as practicable, assemble in executive session for consideration of
215 its decision.

216 The Trial Board shall render its decision in writing within fifteen
217 (15) days following the date upon which the trial was concluded. If
218 the accused is found guilty, the Trial Board shall fix the penalty to be
219 assessed which shall be fine, reprimand, removal from office or sus-
220 pension. Such decision shall contain a statement of the pertinent facts
221 involved, the violations charged, and the penalty to be imposed if the
222 verdict is one of guilt. Such decision and penalty shall be final and bind-
223 ing unless reversed or modified upon appeal as provided in Section 75
224 of Article Twenty-One B (21B).

225 The Trial Board shall forward copies of its decision by certified mail
226 to the accused and the party preferring the charges. Copies shall also
227 be mailed to the President Transportation Division, General Secre-
228 tary-Treasurer, and members of the General Committee of Adjustment
229 or Safety and Legislative Board.

230 If reprimand is the penalty, the President Transportation Division
231 shall issue the reprimand in writing to the accused and furnish all

members of the General Committee of Adjustment or Safety and Legislative Board a copy of the reprimand. 232
233

All other forms of discipline shall become effective on the date the Trial Board’s decision is delivered to the accused by certified mail, except as provided in Article Nineteen (19), Section 5. 32 It shall be the duty of the Vice Chairperson to handle matters referred
33 to the Local Committee when so directed by the Chairperson. The Vice
34 Chairperson of the Local Committee shall act as Chairperson when the
35 Chairperson is unable to perform their duties, and in case of a perma-
36 nent vacancy in the office, they shall act as Chairperson until the office
37 is filled as provided in Section 57. When more than one Vice Chairperson
38 is elected to a Local Committee of Adjustment, the Local Commit-
39 tee shall designate the Vice Chairperson who shall act as required by
40 this paragraph.

41 Local Committees shall not take grievances to the general officers of
42 an employer, except through the General Chairperson, and will not be
43 permitted to enter into any agreement or understanding or change an
44 agreement or understanding unless approved and signed by the Gen-
45 eral Chairperson and the designated carrier representative.

46 Local Committees of Adjustment may consolidate their Committees
47 under such terms and conditions as they deem appropriate, subject to
48 approval by a majority of the members under the jurisdiction of each
49 Committee involved.

50 In the event twenty-five percent (25%) of the members, working in a
51 craft under the jurisdiction of a Local Committee of Adjustment, peti-
52 tion the Secretary of their Local to circulate a referendum ballot on a
53 proposition of discontinuing their Local Committee of Adjustment and
54 to be placed under the jurisdiction of another Committee in the same

62 Compensation and expenses for members of the Local Committee
63 shall be determined by the members of the Local under the jurisdiction

of the Committee. The Local Committeeperson when authorized by the General Chairperson to perform service in connection with General Committee matters shall be compensated from the General Committee Fund.

SECTION 82 – GENERAL COMMITTEE OF ADJUSTMENT

SEC. 82. The Chairperson of each Local Committee of Adjustment under the jurisdiction of a General Committee of Adjustment shall be a member of such General Committee of Adjustment. Local Chairpersons representing yardmasters only, may be members of the General Committee representing yard/switchpersons subject to approval of such General Committee.

The officers of a General Committee of Adjustment shall be a General Chairperson, one or more Vice Chairpersons, and a Secretary. The officers of a General Committee must hold seniority rights in one of the crafts under the jurisdiction of such General Committee.

If a Chairperson of a Local Committee of Adjustment is unable to attend a meeting of the General Committee, the Vice Chairperson of such Committee shall attend the meeting and represent their Local, but as such, they shall not be eligible for election as an officer of the General Committee, except that of General Chairperson. The absent Local Chairperson shall be eligible for election as an officer of the General Committee of Adjustment.

Incumbent officers and members of the General Committee, and any member holding seniority in the craft represented by the General Committee shall be eligible for election to the office of General Chairperson. Only members of the General Committee shall be eligible for election to the office of Vice General Chairperson, or Secretary of the Committee. A General Committee requiring the full-time services of a Vice General Chairperson or Secretary may re-elect such officers, without their being re-elected as Local Chairpersons. In such cases these officers may speak but shall have no vote in the General Committee.

28 The officers of a General Committee shall be elected by secret vote of
29 the members of the General Committee during the quadrennial meet-
30 ing except as otherwise provided herein.

31 The Chairperson of a General Committee of Adjustment may be
32 elected by referendum vote instead of by General Committee vote as
33 provided for in the preceding paragraph if two-thirds ($\frac{2}{3}$) of the Local
34 Chairpersons under the jurisdiction of a General Committee, prior to
35 August 1 preceding the year of the regular quadrennial meeting of the
36 General Committee, vote for and advise the President Transportation
37 Division in writing of their desire to have the Chairperson of that Com-
38 mittee elected by referendum vote.

39 Upon receipt of such request the President Transportation Division
40 will notify the Locals under the jurisdiction of that General Committee
41 that a referendum election for General Chairperson will be held.

42 Each Local under the jurisdiction of the General Committee, after
43 giving at least fifteen (15) days prior notice thereof, shall schedule a
44 meeting to be held prior to October 1, at which nominations for General
45 Chairperson will be accepted.

46 Nominations for General Chairperson will only be accepted when a
47 petition is signed by at least five (5) members holding seniority rights in
48 one of the crafts and holding membership in one of the Locals under the
49 jurisdiction of the General Committee. The petition shall be presented
50 to the Secretary of the Local no later than the meeting scheduled to
51 accept such nominating petitions.

52 The Local Secretary shall certify the names of candidates and for-
53 ward same to the President Transportation Division by certified mail
54 no later than ten (10) days after the nominating meeting. The President
55 Transportation Division shall have prepared ballots placing the name
56 of the incumbent candidate on the ballot first and the names of the
57 other candidates in alphabetical order. The President Transportation
58 Division shall send a ballot as described in Section 57 to each mem-
59 ber entitled to vote no later than October 25. Only members employed

under the jurisdiction of a General Committee of Adjustment shall be eligible to vote in the referendum election for the Chairperson of such Committee. The President Transportation Division shall request a list of eligible voters to be prepared by the General Secretary-Treasurer showing the names and addresses of the members paying General Committee assessments to that General Committee for the month of August preceding the election.

The President Transportation Division shall arrange for the General Secretary-Treasurer to receive and tabulate the ballots. The envelope addressed for the return of such ballot shall be addressed to the General Secretary-Treasurer and shall not be opened prior to the date set for tabulation.

The General Secretary-Treasurer will tabulate the ballots between November 10 and November 15 and shall notify the General Chairperson and candidates the date set for tabulating the ballots. Each candidate, or their representative, may witness the tabulation at their own expense.

The General Secretary-Treasurer shall immediately notify the President Transportation Division, General Chairperson, candidates, and each Local the results of the election.

The candidate receiving a majority of the votes cast shall be declared elected. If no candidate receives a majority on the first ballot, all but the two candidates receiving the largest vote will be dropped from the ballot, and a second election will be held in the same manner. In case of a tie, the General Secretary-Treasurer shall be governed by the applicable provisions of Section 57.

A defeated General Chairperson shall not sign system agreements unless they are also signed by the Vice Chairperson and Secretary of the General Committee. A defeated General Chairperson shall not close out pending cases unless concurred in by the Vice Chairperson and Secretary of the General Committee.

The cost of referendum election for General Chairperson shall be considered as General Committee expense under Section 84, and such

92 expense shall be paid by the General Secretary-Treasurer from the
93 appropriate General Committee fund.

94 The Chairperson of each General Committee of Adjustment shall
95 convene the full Committee between January 1 and May 31 following
96 the completion of the quadrennial elections for Local Committees
97 of Adjustment, or as soon thereafter as elections are completed, and
98 quadrennially thereafter. Actions of the General Committee shall be
99 retroactive to January 1 of that year. In the event the Chairperson fails
100 to convene the Committee, the Committee shall be convened by the
101 President Transportation Division on request of one or more Locals.

102 When the Chairperson has been elected by referendum vote, the results
103 of the vote shall be announced on the first day of the quadrennial meeting
104 and the Chairperson elected shall immediately assume the office.

105 A General Chairperson shall have no vote in General Committee
106 meetings except in case of a tie vote on matters other than elections, the
107 Chairperson will cast the deciding vote. In case of a tie vote in a Com-
108 mittee election after five (5) secret ballots the Chairperson shall then be
109 permitted to vote.

110 Each General Committee of Adjustment may adopt its bylaws and
111 procedures, establish salaries, set the amount of General Committee of
112 Adjustment dues, and such other matters necessary for its operation,
113 subject to the provisions of this Constitution.

114 The President Transportation Division may grant dispensation for
115 the establishment of separate General Committees of Adjustment, for
116 the various crafts represented by the SMART Transportation Division.
117 Each such Committee shall be maintained by dues and/or assessments
118 levied upon the members under the jurisdiction of such Committee.

119 In General Committees consisting of fewer than three (3) Local Com-
120 mittees of Adjustment, the General Chairperson shall be elected by
121 referendum vote.

122 A General Chairperson may not serve as Local Chairperson, except
123 when there is only one Local Committee of Adjustment on a property,

the Local Committee of Adjustment shall constitute the General Committee of Adjustment. 124
125

In Bus Department Locals where there is one Local on a property, General Committees of Adjustment and/or officers representing the SMART Transportation Division, shall not revise or amend general or system schedule rules unless authorized to do so by a majority of votes cast by the members of the craft under the jurisdiction of the General Committee. 126

131

The Secretary of the General Committee shall promptly notify the President Transportation Division in the event of a vacancy in the office of Chairperson. When the period for making nominations has expired, the Chairperson shall prepare ballots, placing the names of the candidates in alphabetical order. On the date specified, the Chairperson, with the assistance of at least two members of the Committee or two officers of the nearest local, shall tabulate the ballots and certify the results to the Secretary of the General Committee. 155

156 General Chairpersons or Executive Committee of General Committees
157 of Adjustment may voluntarily consolidate their committees under such
158 terms and conditions as they deem appropriate subject to approval by
159 two-thirds ($\frac{2}{3}$) vote of the members of each General Committee of Adjust-
160 ment involved and the President Transportation Division.

161 In the event twenty-five percent (25%) of the members working
162 under the jurisdiction of a General Committee of Adjustment petition
163 the Secretary of the General Committee to circulate a referendum bal-
164 lot on a proposition of discontinuing the officers of their committee and
165 consolidating their committee under the officers of another committee
166 holding similar jurisdiction on the same property, the Secretary will
167 prepare a ballot on the proposition to be circulated among the members
168 involved by the Secretaries of the Locals involved. Upon approval by a
169 majority vote of the membership represented by such committee, a refer-
170 endrum ballot will be circulated among the membership represented
171 by the other General Committee of Adjustment involved in the consol-
172 idation. Upon approval by a majority vote of the membership under
173 the jurisdiction of such other committee, the officers of the committee
174 being dissolved will, within sixty (60) days, make an orderly transfer of
175 the property, funds, and files to the committee having jurisdiction.

176 If as a result of the referendum vote it is the desire of the mem-
177 bership represented by the two General Committees to consolidate, a
178 referendum election will be held as provided in this Section to elect a
179 General Chairperson from the two incumbent General Chairpersons.
180 The defeated General Chairperson will become an Assistant General
181 Chairperson of the consolidated General Committee and shall be placed
182 in no worse position with respect to salary or compensation. Their term
183 of office as Assistant will expire at the same time as the General Chair-
184 person at the next quadrennial meeting.

185 Nothing in this Section shall prevent a General Committee from
186 providing a residence property settlement, moving expense, and
187 transfer allowance for a General Chairperson who is required by the

consolidated General Committee to relocate their residence as a result of a consolidation of General Committees.

SECTION 83 – RETIRED MEMBERS

SEC. 83. Members of the SMART Transportation Division retired from service on account of age shall be assessed International dues of One Dollar (\$1.00) per month, to be collected in a manner prescribed by the President Transportation Division. Retired members paying the One Dollar (\$1.00) per month assessment shall be members of the SMART TD Alumni Association so long as such dues are paid. Provided, however, that the President Transportation Division with the concurrence of the Board of Directors may increase the dues as necessary.

Payment of the aforementioned dues by retired members shall in no way affect the voting rights of such retired members of SMART Transportation Division.

SECTION 84 – GENERAL COMMITTEE FINANCING

SEC. 84. Each General Committee of Adjustment must maintain a fund sufficient to pay all salaries and expenses necessary for the maintenance of the Committee through assessments upon the members under their jurisdiction.

The General Committee fund shall be deposited with the President Transportation Division. The General-Secretary Treasurer shall use such funds to pay the salaries, expenses, and other allowances necessary for the maintenance of the General Committee. The General Secretary-Treasurer shall furnish each interested Local Treasurer and the General Chairperson a monthly report showing the division of dues and assessments.

Dues, assessments, salaries, expenses, and other allowances established for the maintenance of General Committees, and in effect as of the effective date of unification, shall remain in effect, subject to change as provided herein.

17 Any proposition to establish or abolish full-time salaried officers of
18 a General Committee or to increase or decrease dues, assessments, per-
19 sonal expense, or other allowances established for the maintenance of
20 General Committees shall be submitted to the members of the General
21 Committee while in session, by mail, or by electronic method, by the
22 appropriate officer of the General Committee setting forth the specific
23 change and effective date of such change. Such proposition must be
24 approved by a majority vote of the members of the General Committee
25 before being made effective.

26 All reasonable and proper expenses of a General Committee, officers,
27 or member thereof when in the service of a General Committee shall be
28 allowed as expense of the General Committee. An itemized statement of
29 expenses incurred, with receipts for all items in excess of Twenty-Four
30 Dollars (\$24.00), and any amount due for services rendered shall be
31 submitted to the Chairperson of the General Committee. When such
32 statements are approved they shall be submitted to the General Secre-
33 tary-Treasurer for prompt payment. A copy of all such statements shall
34 be furnished to the Secretary of the General Committee.

35 Where not otherwise provided for, the General Chairperson may rent
36 office space, purchase office equipment, and employ such clerical assis-
37 tance as necessary, when authorized to do so by a majority vote of the
38 General Committee in session or by mail vote between sessions.

1 SECTION 85 – DUTIES OF GENERAL COMMITTEES 2 OF ADJUSTMENT

3 **SEC. 85.** General Committees of Adjustment shall have authority
4 to make and interpret agreements with representatives of transpor-
5 tation companies covering rates of pay, rules, or working conditions
6 — subject to membership ratification in accordance with the provi-
7 sions of this Article.

General Committees shall investigate all matters properly submitted to them and shall have the authority to alter, amend, add to, or strike out any part, or all, of any matter submitted to them.

In the event a matter cannot be satisfactorily adjusted, the General Chairperson may request the assistance of the President Transportation Division. Upon receipt of such request, the President Transportation Division or their representative shall meet with the General Chairperson, renew efforts to obtain a satisfactory adjustment of the matter and shall be vested with the same authority held by the General Committee to progress the matter to a conclusion. Any system or local adjustments agreed to by the President Transportation Division or their representatives, shall be subject to a majority vote of Local Chairpersons affected.

In the event the President Transportation Division or their representative and the Committee are unable to reach a satisfactory adjustment of the matter, the President Transportation Division may recommend to the General President who may order a strike on all or any portion of the company involved. Such strike action under this Section must be authorized by a two-thirds ($\frac{2}{3}$) vote of the members of the General Committee. Such vote may be taken by wire, mail, or personal contact with written confirmation as the General Chairperson may direct.

Between sessions of the General Committee of Adjustment, the Chairperson of such Committee shall exercise all rights, privileges, and authority vested in the General Committee, except as otherwise directed by the General Committee while in session, subject to the membership ratification provisions of this Section.

The General Chairperson must poll the entire membership holding seniority and working in the craft involved on the property by mail referendum ballot prior to signing any system agreements and be governed by the majority of the votes cast.

Upon completion of the balloting for a system agreement, the General Chairperson will prepare a report designating the result of the vote.

39 A copy of the report shall be submitted to each affected Local within
40 thirty (30) days after the close of balloting.

41 The General Chairperson must poll the affected Local Chairpersons
42 prior to signing any local agreement and be governed by the majority
43 of the votes cast.

44 Upon completion of the balloting for a local agreement, the General
45 Chairperson will prepare a report designating the result of the vote of
46 each Local Committee. A copy of the report shall be submitted to each
47 affected Local within thirty (30) days after the close of the balloting.

48 A General Committee may elect from its members a sub-committee
49 and vest such committee with authority of the General Committee of
50 Adjustment to adjust such matters as may be assigned to it by the Gen-
51 eral Committee. The Chairperson of the General Committee shall be
52 Chairperson of all such subcommittees.

53 General Committees or subcommittees of General Committees of
54 Adjustment making settlement of matters referred to them shall,
55 within thirty (30) days of such settlement, notify the interested Local
56 Chairpersons and Secretary of the Locals in which the matters origi-
57 nated of the action taken.

58 Actions or decisions of a General Committee shall be binding upon
59 the members and Locals under the jurisdiction of such General Com-
60 mittee unless reversed or modified upon appeal as provided in Section
61 75 of Article Twenty-One B (21B).

62 (NOTE: Delegates moved that this Section 85 would be interpreted
63 that a SMART Engineer working under another union's agreement
64 would vote as a fireman on any agreement involving firemen.)

1 **SECTION 86 – VACATIONS –**
2 **GENERAL COMMITTEEPERSONS**

3 **SEC. 86.** Full-time officers and employees of General Committees of
4 Adjustment shall be granted vacation with pay, consistent with the
5 terms of the National Vacation Agreement, based upon earnings from

their Committee. Such vacations may be split if desired but will not be carried over from one year to the next.

Officers and members of General Committees employed on a part-time basis shall be paid the difference between the amount of vacation pay allowed by their carrier and the amount of vacation pay they would have received had their wages with the General Committee been earned with the carrier, except, if they do not work a sufficient amount of time with their carrier to qualify for a vacation, they shall be allowed a vacation with pay, consistent with the terms of the National Vacation Agreement, based upon their total earnings with the carrier and the General Committee.

Vacation allowances provided herein shall be paid by the General Secretary-Treasurer from the General Committee fund upon approval of the vacation claim by the General Chairperson and Secretary of the General Committee. This Section is intended to prevent any loss in vacation time and pay as a result of serving the General Committee.

SECTION 87 – CHAIRPERSON OF GENERAL COMMITTEE

SEC. 87. The Chairperson of a General Committee of Adjustment shall be its executive head, preside over all meetings, and exercise general supervision over its affairs and interests.

Each quarter of the year, the Chairperson shall furnish a report of their activities in the previous quarter to all Local Chairpersons and Locals under their jurisdiction and use such other means as necessary to keep the membership well informed. They shall attach to the report an itemized statement of receipts and disbursements of their Committee which shall be furnished by the General Secretary-Treasurer in sufficient number for distribution with this report. A copy of this report shall be furnished to the President Transportation Division.

The Chairperson shall convene the General Committee upon request of a member of said Committee provided, (1) a two-thirds (2/3) majority of the Committee concurs in such request and (2) sufficient funds are available.

16 The Chairperson shall perform such other duties as may be required
17 by the General Committee and this Constitution.

1 **SECTION 88 – VICE CHAIRPERSONS**
2 **OF GENERAL COMMITTEE**

3 **SEC. 88.** The Vice Chairpersons of a General Committee of Adjust-
4 ment shall act for or on behalf of the Chairperson when so directed by
5 the Chairperson. They shall perform such other duties as may be dele-

1 **SECTION 89 – SECRETARY OF GENERAL COMMITTEE**

2 **SEC. 89.** The Secretary of a General Committee of Adjustment shall

7 President Transportation Division, General Secretary-Treasurer, each
8 Local Chairperson and each Local Secretary a copy of the proceedings
9 of the Committee within twenty (20) days of the close of each session.
10 They shall notify the President Transportation Division and General
11 Secretary-Treasurer the names and addresses of the General Commit-
12 tee immediately following their election.

13 The Secretary shall perform such other duties as might be required
14 by the General Committee and this Constitution.

1 **SECTION 90 – MERGERS, LEASES, COORDINATIONS, ETC.**

2 **SEC. 90.** When, through lease, purchase, merger, consolidation or
3 other cause, a line or lines of a carrier or a portion thereof is taken over
4 by another carrier or where, because of establishment of a new line by
5 an existing carrier or for other reasons, traffic is permanently diverted
6 from one carrier to another or from one road and/or yard seniority

district to another on the same carrier and such affects the seniority rights of employees on such carriers, General Committees of Adjustment shall arrange for a fair and equitable division of the work. Prior seniority rights of employees to service on their former seniority district or territory shall be preserved to the extent possible. Permanently, as used herein, is intended to mean some reasonable degree of regularity in excess of thirty (30) days.

General Committees shall give consideration to all factors involved, including but not limited to hours worked, cars and tonnage handled where applicable, and mileage of operations on each seniority district or territory involved prior to the change in operation, consolidation, or the diversion or re-routing of traffic.

In circumstances in which a new line is established by a carrier and no seniority rights exist, employees from the line from which traffic is diverted, will be transferred to the new line in equal percentage to the mileage of the traffic diverted from the old line. If the portion of line transferred is insufficient in extent to constitute a separate seniority district, the employees taken over therewith in the merger may be placed on the roster of the proper seniority district to which the merged line is attached with seniority on such roster in their respective classes from a date not later than the date of merger.

In applying this Section to bus lines, the Transportation Division and its Legislative Department will intervene with the STB for a reservation of jurisdiction, for the imposition of conditions, for at least three (3) years for employees who may be adversely affected.

Disputes arising under this Section which cannot be resolved by the General Committee or General Committees shall be referred to the President Transportation Division. The President Transportation Division shall promptly assign an officer to assist the General Committee or General Committees involved in resolving the dispute. Failing to resolve the dispute the officer shall make a complete report and recommendation to the President Transportation Division who, in turn, shall decide the dispute.

39 Any Local or member of a Local affected by action or decision of a
40 Chairperson, or General Committee, or by the decision of the President
41 Transportation Division with respect to this Section may appeal such
42 action or decision to the Board of Appeals, provided such appeal is filed
43 with the General Secretary-Treasurer within ninety (90) days from the
44 date of the action or decision. The Chairperson, General Committee, or
45 President Transportation Division, as the case may be, shall be allowed
46 thirty (30) days from the date the appeal is filed in which to reply to the
47 appeal. The parties involved in an appeal shall exchange copies of the
48 appeal and reply to the appeal.

1 SECTION 91 – ASSOCIATION OF GENERAL CHAIRPERSONS

2 **SEC. 91.** The Chairpersons of the General Committees in each district,
3 as hereinafter set forth, shall form an Association of General Chairper-
4 sons, each to function independently of the other, for the purpose of
5 formulating concerted movements relating to wages, rules, and work-
6 ing conditions of transportation service employees in their district.

- 7 ■ District No. 1 shall include all rail lines in the United States.
- 8 ■ District No. 3 shall include all bus lines in the United States.

9 All General Chairpersons on properties where the combined mem-
10 bership represented by SMART Transportation Division is one hundred
11 (100) or more, shall be members of the Association of General Chairper-
12 sons in their respective districts as outlined above. Where the combined
13 membership represented by SMART Transportation Division on a prop-
14 erty is less than one hundred (100) the General Chairpersons on that
15 property shall elect one of their group to be a member of the Associa-
16 tion in their respective districts. Members of the Association of General
17 Chairpersons shall attend all meetings of their Association and repre-
18 sent their committees with pay and proper expenses to be paid from
19 the General Fund of the International.

Following the reorganization of General Committees in 2015, and quadrennially thereafter, the President Transportation Division shall convene the Association of General Chairpersons in each district for the purpose of reorganizing and electing officers. Each district shall elect, by secret ballot, a Chairperson, a Vice Chairperson, and a Secretary to serve as officers of their Association.

Each Association shall adopt bylaws for its special government consistent with the provisions of this Constitution.

The Association will be convened by the President Transportation Division whenever necessary and will be convened by them when a majority of the General Chairpersons within a district of the Association request a special meeting, provided the requests are uniform in object and purpose and the meeting is limited to subjects over which the Association has jurisdiction.

In any general or concerted wage-rules movement, members in an Association cannot withdraw support of a movement which has been approved by a two-thirds ($\frac{2}{3}$) vote of the members of an Association, unless sanction thereto is given by a majority vote of eligible members of the Association and approved by the President Transportation Division. In the event any transportation company refuses to be represented by the conference committee representing the companies in a general or concerted movement, the President Transportation Division may exclude the General Committee on such company from participation in the movement.

A strike may be authorized by the President Transportation Division, with approval of the General President, in support of a general or concerted wage-rules movement, provided such action under this Section is approved by a two-thirds ($\frac{2}{3}$) vote of the members in any Association. Such vote may be taken as the President Transportation Division may direct by mail, wire, or while in session.

In any general or concerted wage-rules movement the President Transportation Division shall appoint a negotiating committee

52 representative of each of the former organizations and crafts repre-
53 sented by them, which are involved in the movement. The negotiating
54 committee shall assist in the prosecution of the wage-rules movement
55 as directed by the President Transportation Division.

56 When in the judgment of the President Transportation Division and
57 the negotiating committee a final offer of settlement has been received,
58 the offer with the committee's recommendation shall be submitted by
59 referendum to the Membership of the crafts involved in the movement
60 for their acceptance or rejection. Following receipt of the offer of settle-
61 ment, each General Chairperson shall have fifteen (15) days to submit
62 questions pertaining to the offer. The negotiating committee will, con-
63 solidate the submitted questions into a single, uniform list. When the
64 answers to these questions are determined by the negotiating commit-
65 tee and the carriers' representatives, the agreed-upon questions and
66 answers will be distributed to the General Chairpersons and made a
67 part of the offer of settlement.

68 A majority of the eligible members voting shall be required to ratify
69 the offer of settlement.

70 The terms of the settlement shall be submitted, by the President Trans-

meeting called for the purpose of voting on the question of whether such strike is advisable or desirable. Notice of the time and place and purpose of such meeting shall be given to each member and it shall require two-thirds ($\frac{2}{3}$) vote by secret ballot of all members present at such meeting to legally declare a strike.

In any dispute which does not arise out of a notice to terminate or to reopen an existing collective bargaining agreement, the General President may order and direct the local union or regional council and the members thereof to refrain from cessation of work, or in the event of a strike, to direct the members to return to work if, in their judgment, such strike or threatened strike is a violation of an existing collective bargaining agreement or this Constitution or the policies of this International Association.

SEC. 3(b). When a local union or regional council strike has been approved in the manner provided in Section 3(a) of this Article, official notice thereof shall be filed with the General Secretary-Treasurer with the record of the effective date of said strike, and the purpose thereof.

SECTION 4 – STRIKE BENEFITS

SEC. 4(a). In the event a local union or regional council desires to seek strike benefits, application therefore shall be filed with the General President in sufficient time prior to the strike date to permit them to approve or disapprove such application before the strike occurs. No strike benefits shall be paid if a strike occurs prior to the approval of the payments of such benefits by the General President.

SEC. 4(b). This Association shall not be under obligation to pay strike benefits in any particular strike. Such benefits shall be paid solely in the discretion of the General President and then only subject to the terms and conditions provided for in this Article, except that the General President may in extenuating circumstances waive the requirements of Section 4(c) of this Article concerning when strike benefits begin and payment of benefits for fractional weeks.

59 **SEC. 4(c).** If the strike is approved by the General President for the
60 purpose of strike benefits, such benefits shall be paid through the local
61 union or regional council involved on the basis of not more than Three
62 Hundred Dollars (\$300.00) per week for each good standing member
63 actually participating in the strike. Benefits shall begin at the end of the
64 second full week of the strike and continue thereafter for such period as
65 may be determined by the General President or General Executive Council.
66 No strike benefits shall be paid for any fractional part of a week.

67 **SEC. 4(d).** No member shall be eligible for strike benefits unless
68 prior to the strike their dues and other obligations have been actually
69 paid and properly recorded on official receipt, in accordance with
70 the provisions of this Constitution, at least for the current month
71 in which the strike occurs, and in advance, for at least each current
72 month thereafter during the period of strike, unless the member is on
73 dues check off. If dues have been withheld from the employee's wages
74 by their employer pursuant to a valid check off authorization, and the
75 company has failed to remit the dues prior to the strike, the member
76 will be eligible for strike benefits if their dues are paid for the month
77 prior to the strike. A member on dues check off must then continue
78 to pay their dues for each month thereafter during the period of the
79 strike but is not responsible for the month of dues withheld by their
80 employer. Members who fail to comply with said requirements shall
81 forfeit all rights to strike benefits.

82 **SEC. 4(e).** When payment of strike benefits has been approved, as
83 provided in this Article, the local union or regional council shall file
84 with the General Secretary-Treasurer a record of the effective date of
85 the strike, the names and membership numbers of all members participating
86 in the strike, and the date of their current receipt and the period covered
87 by such receipt, together with the names of the employers involved. The
88 local union or regional council shall also file with the General Secretary-
89 Treasurer the names of all pre-apprentices who are not yet members and
90 others of a similar status approved by the General

President whose participation in support of the strike has been sanctioned by the local union or regional council. A like record and report shall be filed with the General Secretary-Treasurer each week thereafter with a record of any settlements reached subsequent to the date of strike. Such reports shall be signed by the president and recording secretary unless one of these officers is not available, then any other elected officer may sign the reports, so as to provide an accurate and complete record of the duration of the strike and the period for which each member was involved.

SEC. 4(f). Strike benefits and donations for strike purposes, when authorized and approved by the General President, shall be paid by the General Secretary-Treasurer through the financial secretary-treasurer of the affiliated local union or regional council involved, who shall, on receipt of said benefits or donations, immediately record receipt of same on official receipt either in electronic format or in triplicate form and immediately forward the original of said official receipt to the General Secretary-Treasurer in acknowledgment of monies thus received. The electronic or white duplicate (copy) of said official receipt shall also be included with the next monthly remittance and report sent to the General Secretary-Treasurer.

SEC. 4(g). The General President shall not approve or authorize payment of strike benefits in more than one strike at any one time unless circumstances, in their opinion, warrant and justify such approval and authority, to protect the general welfare of members involved in controversies.

SEC. 4(h). Whenever it is deemed necessary by the General President, they may authorize payments to assist in defraying expenses of a strike committee, whether or not in addition to the strike benefits provided above, in such amounts and by such methods of payment as they may, in their discretion, decide, provided that no such payment shall exceed the sum of One-Hundred Thousand Dollars (\$100,000.00) in any one strike without the approval of the General Executive Council.

be directed to the General President who shall be authorized to grant benefits for such purposes in the same manner and under the same procedures as Strike Benefits under this Article.

Payment from the Strike/Defense Fund may also be made to members of local unions or regional councils, or other workers engaging in various types of concerted or individual activities supportive of policies endorsed by this International Association provided that a request therefore is submitted by the business manager of the local union or president of the regional council to the General President and approved by them.

INITIATION CEREMONIES

1
2 Except as provided in Section 6 of Article Twenty-Two (22), applicants
3 for membership who have complied with all requirements of this Con-
4 stitution and whose applications have been accepted may be obligated
5 by the president or presiding officer of the local union either at a local
6 union meeting or meeting of the local union Executive Board.

7 At the appointed time for initiation, the president or presiding officer
8 shall then address the applicants for membership, as follows:

9 “Your official form of application for membership in this local union
10 chartered by and affiliated with the International Association of Sheet
11 Metal, Air, Rail and Transportation Workers has been accepted by this
12 local union, with the understanding that the answers submitted by you
13 over your signature to questions contained in official form of applica-
14 tion are true and accurate in every respect. You have signified in your
15 application that you are familiar with and willingly subscribe to all of
16 the provisions and requirements of the Constitution of the Interna-
17 tional Association of Sheet Metal, Air, Rail and Transportation Workers.
18 We will now administer the obligation of membership after which you
19 will sign this same obligation as a matter of record. Raise your right
20 hand and repeat after me the following obligation of membership, men-
21 tioning your name where I mention mine.

22 “I, _____, hereby certify that I am familiar with
23 and willingly agree to abide by all of the provisions and requirements
24 of the SMART Constitution. In consideration of the acceptance of
25 my application and being obligated as a member, I hereby agree to
26 remain loyal to the principles and policies and to be governed by the
27 SMART Constitution.

28 I further agree to respect elected officers, brother and sister mem-
29 bers, and to honor all local union rules and regulations not in conflict
30 with this Constitution, to uphold the authority of the president,

business manager, business representatives, and other elected officials, 31
 and to always conduct myself in a manner which holds the Union in 32
 the highest regard. I agree to work faithfully to protect and defend the 33
 rights of all of our members, and to display a positive attitude when 34
 representing the Union in any way. Finally I agree to devote myself to 35
 the betterment of the Union and remain steadfast in my support and 36
 defense of the working rules, working conditions, wages and fringe 37
 benefits negotiated for me by my Local Union, and that by this oath 38
 taken I am duly obligated to all articles and sections of the SMART 39
 Constitution and Ritual.” 40

After the obligation of membership has been administered orally to 41
 the applicant, the president shall rap twice with their gavel and request 42
 all members to be seated. The applicant shall then affix their signature 43
 to the obligation of membership and the presiding officer and financial 44
 secretary-treasurer shall affix their signatures thereto as attesting wit- 45
 nesses, after which the president or presiding officer shall address the 46
 applicant as follows: 47

“I now declare you duly obligated. You are already familiar with your 48

 You will, therefore, be governed accordingly. I now desire to give you the 50
 following instructions: 51

“Your official dues receipt recording actual payment of dues in 52
 advance in accordance with our Constitution will establish your iden- 53
 tity to the conductor prior to the opening of meetings. Should you desire 54
 to gain admission to the hall after the meeting has started, present your 55
 official dues receipt to the warden and if you are in good standing they 56
 will admit you. Should you be without official dues receipt, the war- 57
 den will report your name and membership number to the financial 58
 secretary-treasurer and if you are in good standing and entitled to 59
 admission, they will so inform the president who shall instruct the war- 60
 den to admit you. Should you desire to retire while the meeting is in 61
 session, rise and ask permission of the president. The usual voting sign 62

63 is made by the elevation of the right hand, and is used in voting in favor
64 of or against all questions.”

65 The president or presiding officer may then introduce the newly
66 obligated member and declare a short recess to provide opportunity for
67 proper introduction and greeting, after which the president or presid-
68 ing officer will rap once with their gavel for order, when the members
69 will be seated, and the newly obligated member escorted to the financial
70 secretary-treasurer’s desk to receive instructions regarding their finan-

RESOLUTION #78

1
2 **WHEREAS**, Many thousand members of this International Associ-
3 ation and millions upon millions of working men and women in the
4 United States and Canada are unemployed today and too many have
5 suffered a discouraging, prolonged period of unemployment brought
6 about by high interest rates and other economic problems besetting
7 both countries; and

8 **WHEREAS**, In addition to high interest rates, the growing encroach-
9 ment of non-union competition and non-union element created by
10 the popular expansion of double-breasted operations has pushed the
11 unemployment in the construction industry to a shocking percentage
12 above the national average of any other industry; and

13 **WHEREAS**, Viable programs must be established to meet this non-
14 union competition and insure survival of union contractors; and

15 **WHEREAS**, This International Association and its affiliated local
16 unions must, once again, take the initiative in meeting these challenges
17 on behalf of our members and to set an example for all building and
18 construction trades unions; therefore,

19 **BE IT RESOLVED**, That the delegates to this Convention go on record
20 to urge all local unions that wherever it is necessary to combat the non-
21 union element that they adopt the various addendums and Specialty
22 Agreements designed by this International Association to combat the
23 non-union element and to recoup work for our members by making
24 union contractors more competitive; and

BE IT FURTHER RESOLVED, That Local Union Business Managers be 25
empowered to expand on said addendums and Specialty Agreements or 26
to take whatever steps necessary, including additional flexible conditions 27
on particular jobs sometimes known as “pin-pointing,” to ensure that 28
such work will be captured for our members; and 29

BE IT FURTHER RESOLVED, That local unions encourage their signa- 30
tory contractors to cooperate fully on a local national level to achieve our 31
goal for full employment for all members. 32
