Create Your Own Local Union Discount Program
Local Unions have set up their own localized SMART Union Plus Programs by asking local merchants and service providers to Members who present The SMART Discount Card
Setting Up Your SMART Local Discount Program

Designate one person to oversee/coordinate the Local’s Discount Program – Discount Program Coordinator

This person will be the main contact person for the merchants, service providers and members

In large geographic Unions you may have more than one person contacting the merchants and service providers but they should report to the designated person that oversees this program
Determine the types of merchants and services our members and their families would get the most value from:

• Local Auto Repair Shops / Oil Change
• Local Bars and Restaurants
• Sporting Events, minor league baseball, hockey etc.
• Movie Theaters
• Barber Shops, Hair and Nail Salons
• Local Clothing Stores
• Local Sporting Good Stores
• Golf Courses
• Shooting Ranges
Contact Merchants, Service Providers and Business Owners Either in Person or By Mail

Talking Points:

• Local 00 Represents over (insert number) members in the (city name) area

• Our members live and work in the community and receive good wages that are put back into the community

• Surveyed our members and your business sells a product or service our members routinely purchased

• Would like to discuss the possibility of your business offering some type of discount to our members

• The Union will publicize your business in our publications and website
Dear {business owner} 

SMART Local No. 00 represents over 1500 people in the {city name} area. In addition to being union members who live and work in the area, they are also consumers. As SMART Members they receive good wages, which are put back in the local economy. Through a member survey your business was identified as a place that sells products or services that our members routinely purchase.

We are interested in establishing a marketing relationship with {business name} and in return for offering some type of incentive, discount, or special offer, SMART Local 00 will promote and advertise your business to our members in our publications and website.

I would like to meet with you to discuss the details of how we can make this happen. I will follow up on {insert date} to see what works best for your schedule.

I look forward to meeting you.

Yours Truly,
This letter sets forth the terms of the agreements between (Vendor) and (Union) pursuant to which Vendor will provide and Union will promote discounts on the products and services to union members.

1. Vendor agrees to provide members of unions with the discounts set forth in the Appendix to this letter of agreement. To receive the discounts a union member must have their SMART Member Discount Card from their local union.

2. The Vendor will notify all of its retail outlets of the terms of this agreement and will use its best effort to ensure that the agreement is honored at each such outlet.

3. The Union may actively publicize the discount in Union publications and on their website.

4. Union and Vendor will each appoint a coordinator to oversee the administration of this agreement. In the event that Union learns of a member who has not received the discount provided for herein Union will promptly notify the Vendor coordinator who will investigate the matter and make the best effort to rectify the situation.

5. Union and Vendor each agree to indemnify and hold the other harmless for any losses, including reasonable attorneys’ fees arising from its wrongful acts or omissions in connection with its acts or omissions pursuant to this agreement.

6. This agreement shall run for a period of one year and shall thereafter automatically renew for periods of one year unless either party gives notice of an intention to terminate this agreement at least ninety days prior to the expiration of this agreement.
