

**NOTE:** This is a quick overview for more detailed information refer to the document *UTU Search Users Manual.pdf* on the [UTU.ORG](http://UTU.ORG) Web Site

## Search Pane

## Type Search Phrases

Type your search phrase into the white box and either hit you Enter key or click on the Search button. A list of results will appear in the "Search Results and Document Viewer" area. To view a document in the resulting list click on any of the fields on the line of the document you desire to view and the document will be displayed in the "Search Results and Document Viewer" area.

## Show or Hide Indexes

show all indexes      deselect all indexes

- First Division
- Second Division NRAB
- Third Division
- Fourth Division NRAB
- Arbitration Awards
- Public Law Boards
- Special Board of Adjustment

Search

AwdType  
Awd\_Number  
Document\_Date  
Carrier

Show options      Clear

By default all indexes are selected when you start the search application. You must click on “show all indexes” then un-check indexes that do not apply to your search.

### Results pages

This allows you to cycle through the results. By default only 15 results display per page so the above example indicates there are more than 300 documents returned from this search.

### View Document

To view a document in the resulting list click on any of the fields on the line of the document you desire to view and the document will be displayed in the “Search Results and Document Viewer” area.
