“I GOT YOUR BACK” will launch soon! Stay Tuned...

SMART’S “I GOT YOUR BACK” campaign is to promote a safe haven among all members of SMART. The campaign is based on awareness of work environment (Place) discrimination, bullying, hazing, and harassment. Wearing your “I GOT YOUR BACK” sticker symbolizes that YOU will have all members’ backs. It lets a member that is need of an ally have a safe space to turn to. (Let’s make and be the difference!!!!(Are you going to be (or make) the difference?)
